1. The war industry of Hungary comes under the control of Mihaly Zsofinyec, the Minister for Heavy Industry.
2. The MAVAG locomotive factory in Budapest manufactures artillery guns. This plant has the cover name of "Heavy Dishes Factory".
3. A ball-bearing factory is under construction in Debrecen.
4. The ARTA automobile and tractor components factory, which is the converted former Ertl jute factory at Pesterzsébet, is engaged solely in the manufacture of tank and aircraft components. The section making tank parts is known as the "Lawn-mower Section", while the aircraft components section is known as the "Bumble Bee Section". The factory which employs about 1,000 workers is equipped with the most modern machine tools. A new engine fitters' shop has recently been completed.
